SUMMARY

Motivated and detail-oriented BCA graduate with skills in HTML, CSS, JavaScript, and basics in python. Seeking a Python Developer Internship to apply technical skills, build real world projects, and gain hands-on experience in frontend and backend development.

SKILLS

Technical skill

JavaScript, Python(Basics), HTML5, CSS3

Tools

Git, GitHub, Swagger UI

Soft Skills

Problem Solving, Quick Learner, Detail - Oriented, Time Management

Languages Spoken

English(Fluent), Tamil(Fluent)

PROJECTS

Computer Vs Human - Interactive Web App

Tech Stack : HTML, CSS, JavaScript

- Developed an interactive web application comparing user input against computer-generated random values, with real-time result feedback.
- Implemented random number generation, input validation, and dynamic DOM updates using vanilla JavaScript.
- Managed source code with Git and GitHub following version control best practices.

Quiz Web Application

Tech Stack : HTML5, CSS3, JavaScript

- Built a multi-page interactive quiz application with separate landing and quiz interfaces, using vanilla JavaScript for dynamic question rendering and scoring logic.
- Implemented DOM manipulation to handle real-time answer selection, score tracking, and result display without page reloads.
- Structured the codebase with modular CSS files for landing and quiz pages, ensuring maintainable and organized styling.
- Designed a clean, responsive UI to deliver a smooth user experience across the quiz flow.

EDUCATION

Bachelor of Computer Application

SRI PARAMAKALYANI COLLEGE

CGPA : 7.5

Jun 2023 – May 2026

Computer Science

VEERAMAMUNIVAR HR.SEC.SCHOOL

Percentage : 81

Mar 2023
